EXPERIENCE

FatAlpha

July 2012 – Present

Founder, Portfolio Manager

- Raised and manage third-party money under an agreement with the financial arm of the Cyprus Development Bank (cdbbank)
- Developed an investment strategy that combines proprietary quantitative models with qualitative analysis.
- Consistently outperformed the market without the use of leverage and with a beta of under one.
 - 07/2012-12/2015: gross 157% vs 60% for the S&P 500 (SPY)
- Created, designed and maintain the fatalpha.com website.
- Author a monthly newsletter which is distributed to over 400 subscribers.
- Launched a market neutral strategy with the following results:
 - 09/2015-12/2015: gross 3% vs -4% for QuantShares US Market Neutral Value ETF (CHEP)

Argo Capital Management Ltd.

September 2002 – February 2014

Executive Director

- Award winning London-based Emerging Markets hedge fund manager with peak AUM >\$3B
- Evaluated investment opportunities in various Emerging Markets with a focus in Latin America and Asia. My positive contribution assisted in the growth of the business from <\$100m to >\$3B
- Participated in structuring all major fund deals and in multiple asset classes and firm activities, including portfolio management, restructurings, and global Emerging Markets research in equities, high-yield and distressed fixed income.
- Designed and maintained a quantitative macro model the firm used to assess sovereign default probability. Used regression models, as well as financial models, to assess high yield corporate credits.
- Traded \$20m Asian equity portfolio for Special Situations Fund.

European University Cyprus

November 2002 – May 2003

Lecturer

- Taught and prepared candidates for the Chartered Financial Analyst exams with a 90% success rate.

C.N. Hadjigavriel Stockbrokers Ltd., Nicosia, Cyprus

October 2000 – August 2002

Head Investment Analyst

- Setup the research department which covered equities in Cyprus, Greece and Europe.
- Created network shared applications which increased front office efficiency and sales.
- Established relationships with investor relations of publicly traded firms, and their CFOs.
- Co-managed Employees' Provident Fund which generated positive returns during the equity bear market.

Equity Securities Investments Ltd., Minneapolis, MN

May 2000 – September 2000

Investment Banking Analyst – Mergers & Acquisitions

- Research & firm valuation. Projects worked on involved restructuring, asset sales and M&A
